REQUEST FOR RECONSIDERATION UNDER RULE 116

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

This paper is presented in response to the Office Action mailed on July 5, 2006, in which all claims in this case were finally rejected. Reconsideration of this application in light of these remarks is respectfully requested.

Claims 1 through 24 remain in this case. No claim is amended.

The previous rejection of claims 1 through 11 under §112, ¶2 appears to have been overcome by Applicants' previous response, as the Office Action of July 5 does not contain any mention of this basis for rejection. This paper will proceed on the basis that no §112 rejection remains in this case.
